

Ow's-Zat!

Denby Cricket Club is well known for its cricketing ability but it is also known for the friendly, family atmosphere and its safe environment. It is a lovely venue to while a way a few hours with the family whilst supporting your local team. Take a picnic or a barbecue along and make a real day or evening of it. The club house provides excellent facilities.

The next five years are going to be exciting at Denby as the teams look for further success on the field. The youth team set up sees home grown talents coming through the senior teams and the junior teams are continuing to represent the club at the highest standard.

Denby Ladies finally saw their hard work pay off as they won the league for the first time last season and are looking to build on that this season.
