

Your child will be bowled over at Denby Cricket Club

One of the main features of Denby Cricket Club is the expansion of junior cricket.

The club now has teams at Under 17, Under 15, Under 13, Under 12 and Under 11 levels.

Held on Monday evenings; coaching, practice and training opportunities are available for all boys and girls from age 6 and upwards. The Coaches are all trained and qualified, so you can be assured that your child's cricketing abilities will be developed in a highly professional manner.

For more information on how your child can become involved contact Mick Glenn (Pictured), the Junior Co-ordinator on 01773 744953.
