

Relax at The Retreat

The Retreat has been established on Queen Street in Belper for almost five years. Originally opened as a Tanning Studio, the Retreat was soon joined by Caroline Toombs who set up and manages the Beauty Salon. The salon now boasts an extensive client base made up of male and female clients of all ages.

The Salon is based on two floors and has three private treatment rooms plus a separate nail treatment area.

The Retreat is the only salon in Belper and the surrounding area to offer CACI ULTRA; the ultimate skin treatment system, combining the lifting function of CACI non surgical facial toning system with the skin regenerating applications of Futur-Tec. Manager Caroline Toombs comments: "This latest CACI Technology produces instant visible results for our clients".

Caroline and her team (pictured) are all fully qualified therapists and have all had extensive, ongoing training to ensure that they are up-to-date with the latest product developments, treatments and technology.

If you're attending a special event, party or a wedding then why not have an instant, natural-looking all over tan applied in a modern spray booth. The Retreat also has a Tanning Salon at Park Farm Centre in Allestree. If you're getting married, the salon team will help you and your bridal party with make-up for your special day just call for a friendly, free consultation.

The Retreat has recently added a monthly Cosmetic Teeth Whitening Clinic to their range of services. The treatment lasts just one hour with noticeable results immediately. No injections are used. Simply call the salon to book an appointment.

A visit to The Retreat is a totally relaxing experience.

Both salons have convenient, free car parking situated just a couple of minutes walk away.
