

PUB'S PEDAL POWER

The Cricketers in Kilburn have been holding fundraising events for Macmillan Cancer Support. This charity improves the lives of people affected by cancer by providing practical, medical, emotional and financial support and they campaign for better cancer care.

The Cricketers have just completed their most adventurous fundraiser so far – a sponsored cycle ride from Le Havre on the North coast of France to Montpellier in the South. The team of five, who call themselves “The Crix Cyclopaths” completed the massive 733 mile journey in just over eleven days. The cyclists were accompanied in a vehicle by pub landlady Heather Lyttle, whilst landlord Paul Lyttle stayed in Kilburn to keep the pub running smoothly.

The fundraising so far totals around £5,000 for Macmillan Cancer Support but the pub's efforts continue, so please contact Heather on 01332 880574 to find out how you can contribute.

LOCAL PUB FOOTBALL TEAM SUPPORTS DIABETES CHARITY

The Coach & Horses football team are competing against Breadsall in a match to win the Flash Commemorative Trophy.

The match is in memory of Chris Hook – known as “Flash” to many. Flash, who lived on Street Lane was a season ticket holder at Derby County and Derbyshire Cricket Club. He was secretary of Breadsall/Coach & Horses football team for 18 years as well as pitch marker, kit washer and changing room cleaner. All in all, Flash is affectionately remembered as being “the heart and soul of the club”.

This special match takes place on Saturday 6 October at Breadsall Memorial Ground – kick off is at 10.30am. Afterwards all are welcome to the Coach & Horses, Horsley for a buffet and money-raising events. All funds raised will be presented to The Diabetes Research & Wellness Foundation.

Go and give your support!
