Website of the Month

www.survivingchristmas.org.uk

We all know that Christmas for the most part is enjoyable, but all the planning and organisation involved can make it one of the most stressful times of the year.

This website helps overcome the common problems encountered; from buying presents and organising the decorations to confidently producing the perfect Christmas meal. The site is sub-divided into the following headings; Get Organised, Health, Family Relations & Stress, Games to Play, Decoration, Presents, Environment, Food and Finance & Money.

In the Get Organised area there is a downloadable Christmas Lunch planner to ensure your meal goes without a hitch. In Games, there are ideas for Charades and even a page of drinking games, although this might not be the best idea for a harmonious Christmas!

Scattered throughout the site there are links to other useful Christmas related websites.

Each row, column and 3x3 box must contain the numbers 1 through to 9 just once. This can be done by applying logic - you do not have to guess.
