Centenarian Celebrations at Coxbench Hall

Two residents will soon be celebrating their 100th birthday at Coxbench Hall – one in March and another in July. In June the Hall's eldest resident reaches 102!

Coxbench Hall is a listed building, set in over four acres of lawn, woodland and flower beds. Moving out of one's own home into residential accommodation is a big step and it is vitally important that one is most comfortable with that move. It is for this reason that Coxbench Hall strongly recommends any prospective resident visits for the day to meet the staff and sample the cuisine, atmosphere and activities. This is entirely without obligation, is complimentary and local transport, also free of charge, can be provided.

Several staff at the home will receive long service awards this year which is fairly unusual in the care industry. So it's a good place to live and a good place to work!

Due to internal promotion Coxbench Hall currently have a vacancy for a Care Aide for an application form simply telephone 01332 880200.
