What am I?: Find one letter from each line of our poem and discover the answer to the clue in the last line.

*My first is in tea but not in leaf
 My second is in teapot and also in teeth
 My third is in caddy but not in cosy
 My fourth is in cup but not in rosy
 My fifth is in herbal and also in health
 My sixth is in peppermint and always in wealth
 My last is in drink, so what can I be?
 I'm there in a classroom, do you listen to me?*
