It was reported back in the December/January issue of All Things Local that this popular establishment had been awarded runner-up for the best Sunday Lunch in the Country as judged by The Publican industry magazine.

Melanie Whysall and Paul Kearney have now also received a Highly Commended Certificate in the Punch Tavern's Shine Awards in the Category of Food Experience (East Midlands region).

Paul (pictured with Melanie), comments: "We are delighted to have been recognised in the industry once again. The category of Food Experience is not just about providing beautiful, exciting menus made with the best quality produce but it is also about a customer's total experience within the restaurant – including excellent service and a unique ambience." Paul continues: "Melanie and I wish to convey our thanks and appreciation to our wonderful staff – they consistently ensure an excellent standard of service is given to our valued clientele".
