

A FAMILY-FRIENDLY VILLAGE PUB

Jim and Margaret Harrower (pictured) have just celebrated their 3rd anniversary at the helm of the Coach and Horses public house in Horsley.

Margaret comments: "Although it's been extremely hard work making alterations and improvements to the pub and the gardens we feel that we have really settled here and many of our regular customers are now good friends. We are really enjoying village life here in the beautiful community of Horsley and look forward to meeting many more new customers over the coming months."

This is truly a traditional village pub with a real fire to keep you warm during cold spells. 'The Coach' as it is affectionately known by its regulars, has its own skittles and darts and dominoes teams and hosts a popular fun quiz on a Wednesday night. There is also a large screen sports TV. For the real ale lover, there are different real ales offered every week. Food is served offering bar snacks, meals and a children's menu.

There is a large garden and patio providing an outdoor eating area; a sheltered, heated smoking area and a large customer car park. Last year, the Coach hosted its first outdoor, live music event with barbecue and outdoor bar. This was a huge success so keep a look out for details of future events.

Families are more than welcome at The Coach and Horses – a lovely, bright conservatory provides plenty of seating for people with children. Outside there is a child's play area with swings and slides and during the better weather, Jim and Margaret provide a bouncy castle so that children can have hours of fun.

Jim and Margaret are supported with the help of their excellent team of staff including two of their four daughters – Lorraine who works in the bar and Louise in the kitchen. Their other two daughters; Jeni and Pam are always on hand to help out with special events.
