

# Smalley Lawn Tennis Club

a local hidden gem awaits you...

**Would you like to improve your fitness, meet new friends, relax and unwind, enjoy family time, improve your game or would you like to learn tennis – all in beautiful surroundings and whilst supporting your local community?**

Smalley Lawn Tennis Club has been re-launched and wishes to welcome new members.

Situated off Dobholes Lane, Smalley, next to the park and Cricket Club, the tennis courts were originally donated by the Owners of Stainsby Hall for recreational use by their servants.

A tennis club for the use of the local community has been voluntarily run since the end of World War Two, but has unfortunately been in decline for the past 18 months.

Not wishing to lose this treasured, historic local facility and seeing the numerous benefits it can bring, four families from Smalley are endeavouring to make the Club thrive again. Pictured are members of the Taylor family and the Rastall family. The other two families on the committee are the Armitages and the Liddles.

Facilities include: two exceptionally well maintained grass courts, one hard court (which hopes to be re-laid within the next year) nearby parking and free on-line court booking. Club house facilities are also available

for use at Stainsby Hall Cricket Club and coaching can be arranged for adults and children as individuals or groups. Several social/fundraising events are planned throughout the year.

Memberships costs just £45 per year for single court usage or £60 for two court usage. There is no charge for the games you play.

For further information, please see [www.smalleytennis.net](http://www.smalleytennis.net) or pick up an Application Form at Smalley Post Office or The Flower Shop, Horsley Woodhouse. The committee hopes you share their enthusiasm and look forward to your support and welcoming you!
