LOCAL SPECIALISTS IN DRIVEWAYS OVER 25 YEARS EXPERIENCE

John

Just a quick message to say thanks for the recent ground works done at my house. I realise that there were unforeseen problems, through no fault of your own, but I was extremely pleased with the end result and how you overcame the problems. I think your experience showed through and I am certainly glad I didn't hire a less experienced ground worker. As I say, the end result speaks for itself so much that my neighbours are also delighted with their drives. I will certainly recommend you in the future. - **Mr R Shaw**

Dear John

Just a line to say thank you for the very professional work you did in extending, landscaping and tarmacng our driveway. You did an excellent job and we are highly delighted. Both you and your team were very pleasant, courteous and excellent time keepers and the job was completed to an exceptionally high standard and within the timescale you advised us. My husband and I will not hesitate to recommend JGS to anyone. Once again, very many thanks.

Yours sincerely - **W Johnson.**
