

Morley Hayes

The entire complex has been carefully designed to provide the last word in luxury providing first class hospitality for the individual golfer, leisure seekers, and corporate visitors alike.

The Golf Pavilion is an attractive purpose built 'lodge style' building. Every attention to detail has been observed and the result is the most stunning and beautiful place for everyone to enjoy, which is why visitors choose to return as often as they are able. The Spike Bar is situated on the first floor of the Pavilion and sports the very latest technology, with a plasma screen TV to view all current sport events. You can even view a video recording of your golf event on the big screen while enjoying refreshments.

The Spike Bar is open to everyone, everyday and offers full menus served from breakfast through to dinner. You can dine al fresco relaxing on the south facing terraces with panoramic views of both courses and the wonderful Derbyshire countryside.

The award winning Dovecote Restaurant features a full a la carte menu of the finest English and Continental cuisine. During the week, you can enjoy a competitively priced lunch and dinner menu, and also a popular Sunday lunch. Call now to book your Father's Day celebration lunch in the Dovecote Restaurant on Sunday 17 June 2007.

"The entire complex has been carefully designed to provide the last word in luxury"
