

The Bulls Head

Since the fire back in June 2006 The Bulls Head has seen a huge refurbishment take place which included the construction of a new kitchen, complete re-design and theme throughout and of course a new roof!

The contemporary decor helps to create that relaxing atmosphere in which to enjoy a drink with friends or a dish from our extensive menu.

The Bulls Head boasts a 60 seater gallery restaurant which is open seven days a week offering our full a la carte menu with dishes to suit everyone's tastes from light snacks at lunchtimes, a delicious Sunday Lunch offering along with our ever popular Lunchtime & Early Dinner Menu.

In the summer months soak up the ambience in our large landscaped garden. The ideal place to wind down with a cool beer or glass of wine.
