

Editor's message...

Welcome to the February/March issue of your FREE, independent community magazine - All Things Local. There's a lot happening over the next couple of months. Valentine's Day, Mothering Sunday and Easter are all coming up and don't forget to put your clocks forward on 30 March. It doesn't seem that long since I was reminding you to put your clocks back - where does the time go?

I love this time of the year as the nights are drawing out. Summer will be upon us before we know it and hopefully, this year will bring us the opportunity to sit outside and enjoy some long-awaited sunshine.

I hope that many of you have had the opportunity to take a look at my new website www.allthingslocal.co.uk. There's a Business Directory on the site which includes details of all of the advertisers who appear in the pages of the magazine.

If you or someone you know is getting married, there's a fantastic competition on page 53. I have teamed up with local company Creative Edge Production and one lucky couple will win a superb DVD of their special day - worth £400! People often think "I never win anything" - with All Things Local, every winner is local so it pays to enter. Whilst we're on the subject of weddings - don't forget it's a leap year - the one day when it's traditional for the lady to propose to the man! See the contents below for details of all of this issue's competitions.

I hope you enjoy reading this issue of All Things Local and find it a useful source of information. Please remember to support the businesses that advertise and to mention where you found their number. Don't forget that if you run your own business, advertising in All Things Local is really cost effective, so give me a call!
