

## Belper Travel Agency Strike a Sponsorship Deal with United

The independently run Belper Travel Agency has joined forces with Belper United to provide sponsorship for the next couple of seasons. Sandra Lovett from Belper Travel (pictured with the team) believes that local support is important for business in the town. Sandra commented: "The sponsorship is a gesture of thanks to those who stand by the agency." Fraz Shaw manager of Belper United welcomed the support as he and the team hugely appreciate any help with the running costs of the club. Belper Travel provide a professional and friendly service in the field of leisure holidays and world wide business travel. Offering relaxed surroundings on Queen Street, Belper Travel specialise in longhaul tailor made holidays.
