

OLD VICARAGE SCHOOL

AN INDIVIDUAL, TAILOR-MADE EDUCATION FOR YOUR CHILD IN A WARM, FAMILY ENVIRONMENT

The opportunity to teach young children, enabling them to grow and develop in a safe, caring, engaging environment is a great privilege. At the Old Vicarage School we want each child to feel happy, enthused and proud of their achievements. We believe this is possible because we are committed to giving each child individual attention and ensuring small class sizes.

Every child is unique and can shine in some way. Our dedicated staff see it as their role to unlock the potential in every child at our school. The school offers an individual education where children are assessed weekly and given targets to enrich or enhance their progress. At Key Stage 2 this system begins to go way beyond the normal level of differentiation experienced in other schools.

An impressive feature of the school is the way the older children naturally want to care for and nurture the younger ones. Christian values of fair treatment and respect for each other are the norm. The excellent discipline at the school comes from encouraging good relationships rather than harsh sanctions. The children are well mannered, courteous and kind.

We want every child to feel like our school is an extension of their home. They can come here and find a way to excel. At the end of Year 6 they will be well prepared to enter their first choice of senior school, a number gaining scholarships.

75th Anniversary
