

# *Be a Part of Living History* **AT THE OLD VICARAGE SCHOOL**

**Cast your mind back to your first school days. Your parents wave you goodbye. Everything looks so big! Do you feel nervous? Do you feel excited? What would it be like to retrace your steps and experience it all again?**

To celebrate its 75th Anniversary, the Old Vicarage School in Darley Abbey, is inviting you to do just that. When the school doors opened for the first time in 1933 a fine tradition of family orientated schooling began that continues to this day.

To celebrate this landmark in the school's history the Headmaster and his wife wish to warmly invite both the pioneering pupils from the 1930's and the years since to contact the school with their memories. By joining memories with others in the community it is hoped that the current pupils and staff can experience the history of the Old Vicarage School and preserve it for years to come. If you or anyone you know was at the school, please do contact the Headmaster, Mr M Adshead at 11 Church Lane, Darley Abbey, Derby, DE22 1EW or telephone 01332 557130.

## **Join the 75th Anniversary Celebrations!**

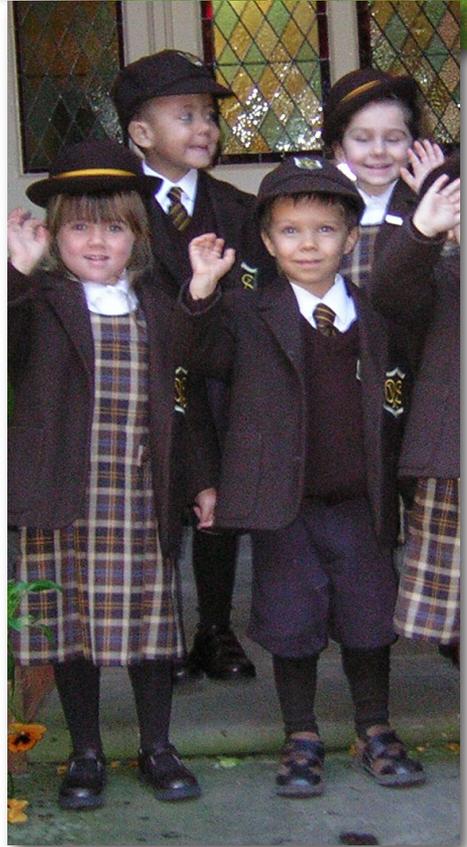

The School is holding a number of events to celebrate its 75th Anniversary which will be open to the local community. A May Ball takes place on 3 May at Pride Park stadium. On the 7th June a Classical Music concert will be held on the lawns of the school and you are invited to bring your picnic rugs for a very special evening. A traditional Summer Fayre will take place on Saturday 28th June with lots of fun for adults and children alike! Please contact the school office if you would like any further information or to be put on the school events mailing list.

## **Scholarships**

Is your child gifted academically, musically or in sports? Would you like to give them the opportunity to develop these skills in small classes within a school environment that engenders the celebration of both individual achievement and team effort?

If this is the case you may want to invest in an education that could be more within your reach than you might imagine with a Scholarship. The Old Vicarage School is offering scholarships for pupils currently in Years 1, 2, 3 and 4. Scholarships can be gained for academic ability, musical talent or sporting prowess. There are a limited number of places available, but all candidates will be considered carefully.

For more details on specific requirements please contact the school on 01332 557 130 or email office@oldvicarageschool.co.uk
