

beautiful bedrooms from broadway

Broadway Bedrooms have recently celebrated the opening of their new showroom on East Avenue, Mickleover.

The Mayor of Derby, Pauline Latham OBE is pictured with Directors Gary Shelton (back) and Shaun Doherty (right). Also pictured is Thomas Pearson (left) a pupil at St Benedicts School – he has been accompanying the Mayor in her duties as part of a scheme that she has run with local schools.

Broadway Bedrooms offer a complete bedroom fitting service from initial design right through to final installation. The new showroom has beautiful displays to help you make your choices.

Gary and Shaun have over 30 years experience between them so you can be reassured that you will receive sound advice and a beautiful new bedroom. Complete project management is available which means that you can also rely on Broadway Bedrooms to organise décor,

electrical fittings and floor coverings too. Commenting on their new showroom, Shaun said: "This has exceeded all our expectations, we're delighted to be open and look forward to offering our experience and advice to anyone considering a new bedroom" Gary added: "We also offer a wide range of home office furniture, stunning mirrors and accessories and would encourage people to come and have a chat with us to see how we can help."
