Win a Personalised Dermalogica Facial & Face Map Worth £35.00

Ghost Hair & Beauty has recently introduced AGE smart™

The intelligent investment in your future skin. Rather than focus solely on the manifestations of skin aging such as wrinkles, hyperpigmentation, loss of elasticity, etc., Dermalogica and The International Dermal Institute researched how to impact the biochemical reactions that trigger changes in aging skin to stop them before they start.

The result is AGE Smart, the only system designed to help prevent the biological triggers that lead to skin aging while treating the visible signs of aging. Firmer, smoother, healthier skin is yours with AGE Smart. Now available at Ghost Hair & Beauty, 2-3 Highfield Road, Kilburn. Tel 01332 880609.

To win your very own personalised Dermalogica Facial & Face Map all you have to do is answer this simple question: What is the name of the new Dermalogica system devised to help prevent skin aging?

Answers should be written on a piece of paper including your name, address and telephone number and sent to Ghost Dermalogica Competition, All Things Local, 74 Woodhouse Road, Kilburn, Belper, Derbyshire DE56 0NA or emailed to karyn@allthingslocal.co.uk – just put GHOST COMPETITION as the subject. Closing date for entries is Friday 4 July 2008.
