Website of the Month

www.diyfixit.co.uk

A DIY and home improvement website to guide and answer questions on numerous DIY projects.

The site features clear step-by-step instructions on everything from painting and wallpapering to emergency plumbing repairs and tiling.

As well as advice you will find tips and tricks as well as all important safety information.

Down the left side of the main page are tabs listing topics such as insulation and building regulations.

Or if you prefer, use the other tabs labelled with various rooms in your home which contain a wealth of topics for repairing or improving your house.
