LOCAL SPECIALISTS IN DRIVEWAYS OVER 25 YEARS EXPERIENCE

Dear John

New driveway and landscaping of front garden undertaken by you 19 to 31 May 2008.

I am writing to tell you how delighted we are with the results of your work.

I had particular ideas as to the intended layout – but relied on your planning and guidance as to how this might best be achieved. I much enjoyed my involvement in the project – and was impressed by your ability to respond effectively and in good humour to the few surprises that we encountered. In particular – procuring parts for the drains, extra kerbs when they were not available locally and seeking out weathered stone for the rockery.

I commend your punctuality – both on starting the job when you promised and on you and your team turning up promptly each morning. Finally, I must mention the other members of your team – the two Joes. It is refreshing to find such polite, thoughtful and hard working young men who are clearly a credit to your business. As you know, my neighbours remarked on this. It is so important to keep the neighbours on-side during the inevitable disruption.

Our very best wishes for the future of your company.
